

EDGEL MISSION 2024 NEWSLETTER

Introduction

Dear Esteemed partner,
As we reflect on 2024, we are filled with gratitude for the progress Edgel Mission has made, thanks to your unwavering support. This year has been one of growth and impact, and we're excited to share the strides we've taken together. Your generosity has been key to our success, enabling us to reach over 350 children through our programs. Each achievement represents more than just a number; it signifies hope and a brighter future. From the bottom of our hearts, the entire Edgel Mission team thanks you for being a vital part of this journey. Your commitment has truly transformed lives.

Education Program

The year 2024 has been a significant one for our Education Support Program, marked by growth and meaningful impact. We proudly supported 136 children, up from 123 in 2023, across Nakuru East and West sub-counties, providing them with essential educational resources. Your support has been vital in ensuring these children had the tools to succeed. With your help, we were able to cover: school fees, uniforms, textbooks & stationery, extracurricular activities and transportation.

Thank you for your continued partnership in shaping the future of these young learners.

Feeding Program

In 2024, our Feeding Program has been a vital source of nourishment for children and families in need, thanks to your unwavering support. More than 300 children received daily nutritious meals, providing them with the energy and health needed for daily activities and long-term well-being. Your generosity has had a lasting impact on their physical and emotional development, creating a foundation for a brighter future.

In addition to academic support, we are excited to report the completion of **one new classroom**, as well as the addition of a second classroom to our learning facilities. These newly constructed classrooms have been transformed into vibrant and conducive environments for learning. The upgraded facilities are a significant step forward in creating an optimal educational setting for the children in our program.

Through your support, 136 children enjoyed three wholesome meals each day, directly enhancing their growth, development, and academic performance. For many of them, these meals are their primary source of nutrition, enabling them to succeed in school and engage fully in their activities.

Additionally, 103 families benefited from food packs throughout the year, which helped alleviate the burden during difficult times. These packs provided essential food items during moments of illness or financial hardship, offering hope and stability when needed most.

Hygiene and Sanitation

In 2024, our Hygiene and Sanitation Program positively impacted the lives of over 136 children, thanks to your generous support. This initiative provided essential hygiene services, including monthly hairdressing services at Edgel Mission, helping children maintain personal hygiene while fostering a sense of pride and self-care. Additionally, your contributions allowed us to distribute hygiene kits, which included soap, toothpaste, sanitary napkins, and other essential items, encouraging good hygiene practices and promoting both health and dignity. Your support has not only addressed immediate needs but also instilled lasting habits that empower the children to care for themselves and build healthier futures.

HEALTH PROGRAM

We are delighted to share the success of our healthcare program in 2024, which has shown remarkable improvement in the overall health and well-being of the children under our care. This year, the impact of better hygiene and sanitation was evident, as we experienced fewer health concerns compared to previous years. Our dedicated staff was proactive in addressing any issues, and only **three children** required urgent medical attention, which they promptly received at the hospital.

By the end of the year, we are thrilled to report that all the children were in excellent health and high spirits. This achievement would not have been possible without the generous support of donors like you. Your contributions have played a vital role in improving the health and quality of life for these children, and we are deeply grateful for your continued commitment to their well-being.

Skills and Talent Development Program

We are thrilled to share the success of our Skills and Talent Development Program in 2024, which saw remarkable participation and growth among the children. They engaged in a wide array of activities, including singing, dancing, playing musical instruments, art and craft, and sports, allowing them to explore and develop their creative talents. A highlight of the year was their outstanding performance at the Kenya Music Festival, where they showcased their exceptional skills and received well-deserved praise and recognition. This program has not only nurtured their talents but also boosted their confidence, providing them with valuable opportunities for personal growth and achievement.

Conclusion

As we reflect on the accomplishments of the past year, our hearts are full of gratitude for your unwavering support. It is because of you that we have been able to make such a meaningful impact, paving the way for a future of health, hope, and opportunity for the children we serve. Your belief in our mission has made all the difference, and we are profoundly thankful for your partnership in this journey. With deep faith, we give all glory to the Almighty God, who has guided us and blessed our efforts. May His continued grace light our path as we move forward together, united in our commitment to a brighter tomorrow for these children.

In the coming year, we aim to expand our reach and deepen our impact, and we hope to continue this journey with your continued support. Together, we can create a world where every child has the opportunity to thrive and reach their full potential.

Once again, thank you for your kindness, generosity, and commitment to our cause. We are profoundly grateful for your support, and we look forward to keeping you updated on the impact of your contribution.

With heartfelt gratitude and warm regards.
